Further Information

DAY OF ARRIVAL

We welcome students on the Sunday prior to the beginning of camp. Please contact us in case of arrival at different times.

SUPERVISORY STAFF

Boarding School Supervisors are in charge of the dorms at night.

SCHOOL SUPPLIES AND OUTFIT

We provide the students with the necessary school supplies for the summer program. However, each student must bring his/her personal pencil case.

We also provide the students with bed linen.

The students must come with their personal clothes, toiletries and towels for the whole stay.

Laundry is included in the total cost.

SAFETY

The Directors and the Supervisors ensure the well-being of the students and can prescribe treatment for minor aches. The medical practice is immediately informed in case of doubts. Medical expenses will be borne by the families and will be indicated on a separate invoice.

That is the reason why a medical insurance is mandatory before validation of registration.

Bois Robert opened in 1968 and is registered with the Educational authorities. It is declared as a Middle School and a High School. We are regularly controlled by official committees and we meet the strictest requirements of Occupational Safety and Health Administration.

EXTRACT FROM THE SCHOOL CODE OF CONDUCT

Even if the stay takes place during summer vacation, we are strict and inflexible as regards the following points: theft, consumption of alcohol and/or illicit substances. These acts lead to immediate eviction from the programme.

Valuable items should either stay at home or given to the secretary office during the period of the summer programme. We cannot be held responsible for items that would not have been left with us.

The cell phone is allowed but in accordance with the school regulations. Each student enrolled in the program is expected to respect the schedules arranged for the use of the cell phone.
